

OMNI'S TRAINING SOLUTIONS

Omni is an Australian-owned business focused on delivering innovative defence, national security, intelligence and critical infrastructure solutions to further our national interest.

Our locally based, expert teams deliver cutting-edge technology and pioneering solutions in support of Australia's sovereign capability.

Elevating Safety, Security, & Leadership for Every Environment

At Omni, we specialise in providing world-class training that equips individuals and organisations with the knowledge, skills, and confidence to thrive in challenging environments. With a focus on personal security, situational awareness, and leadership, our comprehensive training programs are tailored to meet the needs of both government and private sector clients.

Our training offerings are designed to prepare professionals to navigate high-risk situations, bolster resilience, and lead with authority, all while ensuring safety and security. Whether you're in a high-threat environment or a fast-paced corporate setting, Omni's expert instructors will guide you through practical, real-world techniques that empower you to act decisively and with confidence.

Key Training Areas:

- Personal Security and Situational Awareness Training
- Preparation for Working in High Threat Environments
- Counter-Elicitation Training
